Rogers Water Utilities has developed Help 2 Others (H2O) to assist customers in paying their water bill when they face medical emergencies, temporary loss of employment, unexpected financial shortfalls beyond individual control and other unfortunate situations.

Rogers Water Utilities invites you to designate an amount of $1 or more to be added each month to your water bill in order to fund this exciting program and help our fellow community members. Rogers Water Utility will collect the funds and forward them monthly to our partner in the program, the Office of Human Concern. OHC will screen applicants to ensure that assistance criteria are met and that the funds are used only for this program. Strict accountability procedures will be in place to assure the donated funds reach those truly in need.

If you would like to voluntarily sign up, please complete the form below and mail it to Rogers Water Utilities, PO Box 338, Rogers, Arkansas 72757 or bring it by the office at 601 S. 2nd in Rogers. Once you have signed up your donation will appear on your water bill each month as Help 2 Others donation with the amount shown. The contribution may be cancelled or changed by calling 621-1142.

We thank you for helping us help others.
