

ADDENDUM 2

Project Name: 5th & Walnut Water & Sewer Replacement

Release Date: July 19, 2024

Bid Date: July 24, 2024

Information To Bidders:

The Contract Documents for the above titled project is hereby revised, and amended as follows:

Section 1000.20:

- Section 1000.20 has been added to the contract documents to give more detail to the methods and measurements of payment.

Clarifications of Questions:

- For the bid item number 37 Maintenance of Traffic, the City of Rogers Street Department will be performing the diversion of traffic. What is required of the contractor is any steel street plating for the work in this bid and any pedestrian signage that may be required.

Bidder shall acknowledge receipt of this addendum by including a copy in the sealed bid envelope.
